OS Therapies Incorporated

January 10, 2026

Item 1.01. Entry into a Material Definitive Agreement.

Warrant Exercise Inducement

On January 10, 2026, OS Therapies Incorporated (the “Company”) entered into inducement offer letter agreements (the “Inducement Letters”) with less than 10 accredited investors (the “Holders”) that hold certain existing warrants of the Company to purchase up to an aggregate of 5,382,148 shares of the Company’s common stock, originally issued to the Holders in connection with the Company’s previous warrant exercise inducement and exchange offerings held open from June 20, 2025 to July 10, 2025 and/or from August 29, 2025 to September 1, 2025 (the “Existing Warrants”).

Pursuant to the Inducement Letters, the Holders agreed to exercise for cash their Existing Warrants at a reduced exercise price of \$1.40 per share (the “Inducement Exercise Price”) in consideration of the Company’s agreement to issue new common stock purchase warrants (the “New Warrants”) to purchase up to an aggregate of 5,382,148 shares of the Company’s common stock (the “New Warrant Shares”) at an exercise price of \$1.40 per share, subject to adjustment as provided therein. The New Warrants will be immediately exercisable from the date of issuance and have a term of exercise of five years from such date.

Notwithstanding the foregoing, if the exercise of any Existing Warrant by a Holder would have resulted in such Holder exceeding the beneficial ownership limitation contained in the Existing Warrants, the Holder agreed to pre-fund the exercise of its Existing Warrants for cash at the Inducement Exercise Price, less \$0.001 per share. Upon such pre-funding, the exercise price of the Holder’s Existing Warrants will be reduced to \$0.001 per share (the “Remaining Exercise Price”), and such Existing Warrants will become exercisable for the Company’s common stock solely at the Remaining Exercise Price.

The Company has engaged a Securities Exchange Commission (“SEC”)–registered broker dealer and FINRA member (the “Solicitation Agent”) to act as its exclusive warrant solicitation agent in connection with the transactions contemplated by the Inducement Letters and has agreed to pay the Solicitation Agent a cash fee equal to 8.0% of the total gross cash proceeds received from the exercise or pre-funding by the Holders of their Existing Warrants during the Inducement Period (as defined below). The Company has also agreed to pay the Solicitation Agent up to \$25,000 for its reasonable legal and other expenses.

The offering is being made to the Holders during the period beginning January 10, 2026 and ending at 11:59 p.m., Eastern time, on February 10, 2026 (the “Termination Date” and, such period, the “Inducement Period”). The offering may be consummated in one or more closings with respect to exercises or pre-fundings of the Existing Warrants, at such times and in such amounts as determined at the mutual discretion of the Company and the Solicitation Agent, which may be held at any time during the Inducement Period or within two business days following the Termination Date. The Company may, at any time and from time to time, in its discretion and with the consent of the Solicitation Agent, extend, terminate or suspend the Inducement Period prior to the Termination Date, or extend the time for a closing, upon written notice to the Holders without any obligation to extend or reopen the Inducement Period or extend the time for a closing thereafter. The Company expects to receive aggregate gross proceeds of approximately \$7.5 million, before deducting Solicitation Agent fees and other offering expenses payable by the Company. The Company intends to use the net proceeds to support U.S. and international regulatory and pre-commercial efforts aimed at securing marketing authorizations for OST-HER2 in the prevention or delay of recurrent, fully resected, lung metastatic osteosarcoma, provide funding for the Company’s wholly owned subsidiary OS Animal Health’s proposed spinoff transaction preparations, and for general corporate purposes.

If the Company does not receive from the aggregate exercise price or pre-funding amount, as applicable, from a Holder within two business days following the Termination Date (“Final Funding Date”), the Company may, in its sole discretion, cancel the Holder’s warrant exercise or pre-funding, as applicable, in accordance with terms of the applicable Inducement Letter. Upon any such cancellation, such Holder has agreed to irrevocably waive any and all rights to any future adjustment of the exercise price or any other economic terms of such Holder’s Existing Warrants pursuant to Section 3(b) thereof, arising from or in connection with any issuance of securities or other transaction by the Company occurring after the Final Funding Date.

The resale of the shares of the Company’s common stock underlying the Existing Warrants have been registered pursuant to existing registration statements on Form S-1 (File No. 333-289216) and Form S-3 (File No. 333-289443), declared effective by the SEC on each of August 12, 2025 and August 25, 2025, respectively.

The Company also agreed to file a registration statement on Form S-3 (or other appropriate form, including on Form S-1, if the Company is not then eligible to register securities on Form S-3) (the “Resale Registration Statement”) providing for the resale of the shares of common stock issued or issuable upon exercise of the New Warrants, within 30 calendar days of the closing, and to use commercially reasonable efforts to have such Resale Registration Statement declared effective by the SEC within 60 calendar days (or within 90 calendar days in case of “full review” of the Resale Registration Statement by the SEC) following the initial filing of such Resale Registration Statement and to keep the Resale Registration Statement effective at all times until the earlier of (i) the time no holder of the New Warrants owns any New Warrants or New Warrant Shares and (ii) the Delegend Date (as defined in the Inducement Letters).

Terms of the New Warrants

The following summary of certain terms and provisions of the New Warrants is not complete and is subject to, and qualified in its entirety by, the provisions of the New Warrants, the form of which is filed as Exhibit 4.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Duration and Exercise Price

Each New Warrant has an exercise price of \$1.40 per share. The New Warrants are immediately exercisable from the date of issuance and expire five years from such date. The exercise price and number of New Warrant Shares issuable upon exercise of the New Warrants are subject to appropriate adjustment in the event of stock dividends, stock splits, subsequent rights offerings, pro rata distributions, reorganizations or similar events affecting the Company’s common stock and the exercise price.

Exercisability

The New Warrants are exercisable, at the option of each holder, in whole or in part, by delivering to the Company a duly executed exercise notice accompanied by payment in full for the number of shares of the Company’s common stock purchased upon such exercise (except in the case of a cashless exercise as discussed below). A holder (together with its affiliates) may not exercise any portion of such holder’s New Warrants to the extent that the holder would own more than 4.99% (or, at the election of the holder, 9.99%) of the outstanding common stock immediately after exercise, except that upon prior notice from the holder to the Company, the holder may increase or decrease the amount of ownership of outstanding stock after exercising the holder’s New Warrants up to 9.99% of the number of shares of the Company’s common stock outstanding immediately after giving effect to the exercise, as such percentage ownership is determined in accordance with the terms of the New Warrants, provided that any increase will not be effective until 61 days following notice to the Company.

Forced Exercise

The New Warrants provide that, at any time any New Warrants are outstanding, if the closing price of the Company’s common stock on the applicable trading market equals or exceeds 300% of the exercise price then in effect for any 20 consecutive trading days, the Company may, subject to the satisfaction of certain equity conditions, require the holder to exercise all or a portion of the New Warrants for cash.

Cashless Exercise

If, at the time a holder exercises its New Warrants, a registration statement registering the resale of the New Warrant Shares under the Securities Act of 1933, as amended (the “Securities Act”), is not then effective or available, then in lieu of making the cash payment otherwise contemplated to be made to the Company upon such exercise in payment of the aggregate exercise price, the holder may elect instead to receive upon such exercise (either in whole or in part), the net number of shares of common stock determined according to a formula set forth in the New Warrants.

Rights as a Stockholder

Except as otherwise provided in the New Warrants or by virtue of the holder’s ownership of shares of the Company’s common stock, such holder of New Warrants does not have the rights or privileges of a holder of the Company’s common stock, including any voting rights, until such holder exercises such holder’s New Warrants. The New Warrants will provide that the holders of the New Warrants have the right to participate in distributions or dividends paid on shares of the Company’s common stock.

If at any time the New Warrants are outstanding, the Company, either directly or indirectly, in one or more related transactions effect a Fundamental Transaction (as defined in the New Warrants), a holder of New Warrants will be entitled to receive, the number of shares of common stock of the successor or acquiring corporation or of the Company, if the Company is the surviving corporation, and any additional consideration receivable as a result of the Fundamental Transaction by such holder of the number of shares of common stock for which the New Warrants are exercisable immediately prior to the Fundamental Transaction. As an alternative, and at the holder's option in the event of a Fundamental Transaction, exercisable at any time concurrently with, or within 30 days after, the consummation of the Fundamental Transaction (or, if later, the date of the public announcement of the applicable fundamental transaction), the Company shall purchase the unexercised portion of the New Warrants from the holder by paying to the holder an amount of cash equal to the Black Scholes Value (as defined in the New Warrants) of the remaining unexercised portion of the New Warrants on the date of the consummation of such Fundamental Transaction.

Waivers and Amendments

The New Warrants may be modified or amended or the provisions of the New Warrants waived with the Company's and the holder's written consent.

The forms of New Warrant and Inducement Letter are attached as Exhibits 4.1 and 10.1, respectively. The description of the terms of the New Warrants and Inducement Letters are not intended to be complete and are qualified in its entirety by reference to such exhibits. The Inducement Letters contain customary representations, warranties and covenants by the Company which were made only for the purposes of such agreements and as of specific dates, were solely for the benefit of the parties to such agreements and may be subject to limitations agreed upon by the contracting parties.

Item 3.02. Unregistered Sales of Equity Securities.

The information contained in Item 1.01 of this Current Report on Form 8-K is hereby incorporated by reference into this Item 3.02. The New Warrants and New Warrant Shares are being offered and sold by the Company in reliance upon an exemption from the registration requirements of the Securities Act afforded by Section 4(a)(2) of the Securities Act and Rule 506(b) of Regulation D promulgated thereunder.

Item 8.01. Other Events.

On January 12, 2026, the Company issued a press release announcing, among other things, the transactions contemplated by the Inducement Letters, which is filed as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by reference.

Section 2. Exercise.

a) Exercise of Warrant. Exercise of the purchase rights represented by this Warrant may be made, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company of a duly executed PDF copy submitted by e-mail (or e-mail attachment) of the Notice of Exercise in the form annexed hereto (the “Notice of Exercise”). Within the earlier of (i) one (1) Trading Day and (ii) the number of Trading Days comprising the Standard Settlement Period (as defined in Section 2(d)(i) herein) following the date of exercise as aforesaid, the Holder shall deliver the aggregate Exercise Price for the Warrant Shares specified in the applicable Notice of Exercise by wire transfer or cashier’s check drawn on a United States bank unless the cashless exercise procedure specified in Section 2(c) below is specified in the applicable Notice of Exercise. No ink-original Notice of Exercise shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Exercise be required. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation within five (5) Trading Days of the date on which the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. The Company shall deliver any objection to any Notice of Exercise within one (1) Business Day of receipt of such notice. **The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.**

b) Exercise Price. The exercise price per share of Common Stock under this Warrant shall be **\$1.40**, subject to adjustment hereunder (the “Exercise Price”).

3

c) Cashless Exercise. If at the time of exercise hereof there is no effective registration statement registering, or the prospectus contained therein is not available for the resale of the Warrant Shares by the Holder, then this Warrant may also be exercised, in whole or in part, at such time by means of a “cashless exercise” in which the Holder shall be entitled to receive a number of Warrant Shares equal to the quotient obtained by dividing [(A-B) (X)] by (A), where:

- (A) = as applicable: (i) the VWAP on the Trading Day immediately preceding the date of the applicable Notice of Exercise if such Notice of Exercise is (1) both executed and delivered pursuant to Section 2(a) hereof on a day that is not a Trading Day or (2) both executed and delivered pursuant to Section 2(a) hereof on a Trading Day prior to the opening of “regular trading hours” (as defined in Rule 600(b) of Regulation NMS promulgated under the federal securities laws) on such Trading Day, (ii) at the option of the Holder, either (y) the VWAP on the Trading Day immediately preceding the date of the applicable Notice of Exercise or (z) the Bid Price of the Common Stock on the principal Trading Market as reported by Bloomberg L.P. (“Bloomberg”) as of the time of the Holder’s execution of the applicable Notice of Exercise if such Notice of Exercise is executed during “regular trading hours” on a Trading Day and is delivered within two (2) hours thereafter (including until two (2) hours after the close of “regular trading hours” on a Trading Day) pursuant to Section 2(a) hereof or (iii) the VWAP on the date of the applicable Notice of Exercise if the date of such Notice of Exercise is a Trading Day and such Notice of Exercise is both executed and delivered pursuant to Section 2(a) hereof after the close of “regular trading hours” on such Trading Day;
- (B) = the Exercise Price of this Warrant, as adjusted hereunder; and
- (X) = the number of Warrant Shares that would be issuable upon exercise of this Warrant in accordance with the terms of this Warrant if such exercise were by means of a cash exercise rather than a cashless exercise.

If Warrant Shares are issued in such a cashless exercise, the parties acknowledge and agree that in accordance with Section 3(a)(9) of the Securities Act, the holding period of the Warrant Shares being issued may be tacked on to the holding period of this Warrant. The Company agrees not to take any position contrary to this Section 2(c).

“Bid Price” means, for any date, the price determined by the first of the following clauses that applies: (a) if the Common Stock is then listed or quoted on a Trading Market, the bid price of the Common Stock for the time in question (or the nearest preceding date) on the Trading Market on which the Common Stock is then listed or quoted as reported by Bloomberg (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if OTCQB or OTCQX is not a Trading Market, the volume weighted average price of the Common Stock for such date (or the nearest preceding date) on OTCQB or OTCQX as applicable, (c) if the Common Stock is not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Common Stock are then reported on The Pink Open Market (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per share of the Common Stock so reported, or (d) in all other cases, the fair market value of a share of Common Stock as determined by an independent appraiser selected in good faith by the Holders of a majority in interest of the Warrants then outstanding and reasonably acceptable to the Company, the reasonable fees and expenses of which shall be paid by the Company.

4

“VWAP” means, for any date, the price determined by the first of the following clauses that applies: (a) if the Common Stock is then listed or quoted on a Trading Market, the daily volume weighted average price of the Common Stock for such date (or the nearest preceding date) on the Trading Market on which the Common Stock is then listed or quoted as reported by Bloomberg (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if OTCQB or OTCQX is not a Trading Market, the volume weighted average price of the Common Stock for such date (or the nearest preceding date) on OTCQB or OTCQX as applicable, (c) if the Common Stock is not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Common Stock are then reported on The Pink Open Market (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per share of the Common Stock so reported, or (d) in all other cases, the fair market value of a share of Common Stock as determined by an independent appraiser selected in good faith by the Holders of a majority in interest of the Warrants then outstanding and reasonably acceptable to the Company, the reasonable fees and expenses of which shall be paid by the Company.

Notwithstanding anything herein to the contrary, on the Termination Date, this Warrant shall be automatically exercised via cashless exercise pursuant to this Section 2(c).

d) Mechanics of Exercise.

i. Delivery of Warrant Shares Upon Exercise. The Company shall cause the Warrant Shares purchased hereunder to be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder’s or its designee’s balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system (“DWAC”) if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the resale of the Warrant Shares by the Holder or (B) the Warrant Shares are eligible for resale by the Holder without volume or manner-of-sale limitations pursuant to Rule 144 (assuming cashless exercise of the Warrants), and otherwise by physical delivery of a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Warrant Shares to

which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by the date that is the earliest of (i) two (2) Trading Days after the delivery to the Company of the Notice of Exercise, (ii) one (1) Trading Day after delivery of the aggregate Exercise Price to the Company and (iii) the number of Trading Days comprising the Standard Settlement Period after the delivery to the Company of the Notice of Exercise (such date, the “Warrant Share Delivery Date”). Upon delivery of the Notice of Exercise, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date of delivery of the Warrant Shares, provided that payment of the aggregate Exercise Price (other than in the case of a cashless exercise) is received within the earlier of (i) two (1) Trading Day and (ii) the number of Trading Days comprising the Standard Settlement Period following delivery of the Notice of Exercise. If the Company fails for any reason to deliver to the Holder the Warrant Shares subject to a Notice of Exercise by the Warrant Share Delivery Date, the Company shall pay to the Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of Warrant Shares subject to such exercise (based on the VWAP of the Common Stock on the date of the applicable Notice of Exercise), \$10 per Trading Day (increasing to \$20 per Trading Day on the third (3rd) Trading Day after the Warrant Share Delivery Date) for each Trading Day after such Warrant Share Delivery Date until such Warrant Shares are delivered or Holder rescinds such exercise. The Company agrees to maintain a transfer agent that is a participant in the FAST program so long as this Warrant remains outstanding and exercisable. As used herein, “Standard Settlement Period” means the standard settlement period, expressed in a number of Trading Days, on the Company’s primary Trading Market with respect to the Common Stock as in effect on the date of delivery of the Notice of Exercise.

ii. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant certificate, at the time of delivery of the Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Warrant Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

5

iii. Rescission Rights. If the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares pursuant to Section 2(d)(i) by the Warrant Share Delivery Date, then the Holder will have the right to rescind such exercise.

iv. Compensation for Buy-In on Failure to Timely Deliver Warrant Shares Upon Exercise. In addition to any other rights available to the Holder, if the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares in accordance with the provisions of Section 2(d)(i) above pursuant to an exercise on or before the Warrant Share Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder’s brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by the Holder of the Warrant Shares which the Holder anticipated receiving upon such exercise (a “Buy-In”), then the Company shall (A) pay in cash to the Holder the amount, if any, by which (x) the Holder’s total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased exceeds (y) the amount obtained by multiplying (1) the number of Warrant Shares that the Company was required to deliver to the Holder in connection with the exercise at issue times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Warrant and equivalent number of Warrant Shares for which such exercise was not honored (in which case such exercise shall be deemed rescinded) or deliver to the Holder the number of shares of Common Stock that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of shares of Common Stock with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (A) of the immediately preceding sentence the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder’s right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company’s failure to timely deliver shares of Common Stock upon exercise of the Warrant as required pursuant to the terms hereof.

v. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

vi. Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of such Warrant Shares, all of which taxes and expenses shall be paid by the Company, and such Warrant Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that, in the event that Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Warrant Shares.

vii. Closing of Books. The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

6

e) Holder’s Exercise Limitations. The Company shall not effect any exercise of this Warrant, and a Holder shall not have the right to exercise any portion of this Warrant, pursuant to Section 2 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Notice of Exercise, the Holder (together with the Holder’s Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder’s Affiliates (such Persons, “Attribution Parties”)), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by the Holder and its Affiliates and Attribution Parties shall include the number of shares of Common Stock issuable upon exercise of this Warrant with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Warrant beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities of the Company (including, without limitation, any other Common Stock Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 2(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith. To the extent that the limitation contained in this Section 2(e) applies, the determination of whether this Warrant is exercisable (in relation to other securities

owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable shall be in the sole discretion of the Holder, and the submission of a Notice of Exercise shall be deemed to be the Holder's determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 2(e), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as reflected in (A) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder, the Company shall within one (1) Trading Day confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder or its Affiliates or Attribution Parties since the date as of which such number of outstanding shares of Common Stock was reported. The "Beneficial Ownership Limitation" shall be [4.99%][9.99%] of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon exercise of this Warrant. The Holder, upon notice to the Company, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 2(e), provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon exercise of this Warrant held by the Holder and the provisions of this Section 2(e) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Company. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 2(e) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of this Warrant.

f) Forced Exercise. At any time following the Issue Date of this Warrant, if the closing price of the Company's Common Stock on the Trading Market equals or exceeds 300% of the Exercise Price then in effect for any twenty (20) consecutive Trading Days (the "Forced Exercise Trigger"), the Company shall have the right, exercisable on one or more occasions, to require the Holder to exercise on a cash basis all or any portion of the then-outstanding portion of this Warrant (each, a "Forced Exercise"), provided that (1) no Equity Conditions Failure (as defined below) then exists (unless waived in writing by the Holder), and (2) no Forced Exercise Trigger has occurred in the five (5) Trading Day period immediately prior to the applicable date of determination (each such applicable date, a "Forced Exercise Eligibility Date"). The Company may exercise its right to require a Forced Exercise under this Section 2(f) by delivering a written notice thereof, on one or more occasions, by electronic mail to all of the Holders (each, a "Forced Exercise Notice" and, the date thereof, each a "Forced Exercise Notice Date") on a Forced Exercise Eligibility Date. Each Forced Exercise Notice shall specify (i) the portion of the Warrant subject to the Forced Exercise, (ii) the applicable Exercise Price, (iii) the deadline for exercise (which shall be no fewer than ten (10) Business Days from the Holder's receipt of such notice, the "Forced Exercise Period") and (iv) a certification by the Company that no Equity Conditions Failure exists as of the date thereof (or specifying any such Equity Conditions Failure that then exists, with an acknowledgement that unless such Equity Conditions are waived, in whole or in part, such Forced Exercise Notice will be invalid). The Holder shall have the duration of the Forced Exercise Period to exercise such portion of the Warrant in accordance with the terms hereof, and any portion of this Warrant subject to the Forced Exercise Notice that remains unexercised as of the expiration of the Forced Exercise Period shall automatically cancelled, terminated and of no further force or effect, without the need for any further action by the Company or the Holder.

7

For purposes of this Section 2(f), "Equity Conditions" means, with respect to any given date of determination: (i) on such applicable date of determination, one or more registration statements (each, the "Forced Exercise Registration Statement") shall have been declared effective by the Commission and the prospectus contained therein shall be available on such applicable date of determination for the resale of the Warrant Shares issuable upon exercise of this Warrant, without regard to any limitations on exercise set forth in this Warrant (such applicable aggregate number of shares of Common Stock, each, a "Required Minimum Securities Amount"); (ii) on the applicable date of determination, the Common Stock (including all shares of Common Stock issuable upon exercise of this Warrant) is listed or designated for quotation (as applicable) on a Trading Market and shall not have been suspended from trading on such Trading Market nor shall delisting or suspension by such Trading Market have been threatened (with a reasonable prospect of delisting occurring, after giving effect to all applicable notice, appeal, compliance and hearing periods, within five (5) days after the applicable date of determination) or reasonably likely to occur within five (5) days after the applicable date of determination; (iii) the Required Minimum Securities Amount may be issued in full without violating the rules or regulations of the principal Trading Market on which the Common Stock is then listed or designated for quotation (as applicable); (iv) the Company shall have no knowledge of any fact that would reasonably be expected to cause the applicable Forced Exercise Registration Statement to not be effective or the prospectus contained therein to not be available for the resale by the Holders of the Required Minimum Securities Amount to be issued in connection with such determination, and either (x) the Company fails for any reason to satisfy the requirements of Rule 144(c)(1), including, without limitation, the failure to satisfy the current public information requirement under Rule 144(c) or (y) the Company has ever been an issuer described in Rule 144(i)(1)(i) or becomes such an issuer in the future, and the Company shall fail to satisfy any condition set forth in Rule 144(i)(2); (v) the Holder shall not be in possession of any material, non-public information provided to any of them by the Company, any of its Subsidiaries or any of their respective affiliates, employees, officers, representatives, agents or the like; or (vi) any shares of Common Stock to be issued in connection with the Forced Exercise may be issued in full without violating the Beneficial Ownership Limitation in accordance with Section 2(e) of this Warrant. "Equity Conditions Failure" means that on each day commencing on the Trading Day immediately prior to the applicable Forced Exercise Notice Date through and including the applicable Forced Exercise Date, the Equity Conditions have not been satisfied (or waived in writing by the Holders).

Section 3. Certain Adjustments.

a) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of reverse stock split) outstanding shares of Common Stock into a smaller number of shares, or (iv) issues by reclassification of shares of the Common Stock any shares of capital stock of the Company, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding treasury shares, if any) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 3(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

8

b) [Reserved].

c) Subsequent Rights Offerings. If at any time the Company grants, issues or sells any Common Stock Equivalents or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock (the "Purchase Rights"), then the Holder will be entitled to acquire,

upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, that to the extent that the Holder's right to participate in any such Purchase Right would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Purchase Right to such extent (or beneficial ownership of such shares of Common Stock as a result of such Purchase Right to such extent) and such Purchase Right to such extent shall be held in abeyance for the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

d) Pro Rata Distributions. During such time as this Warrant is outstanding, if the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a "Distribution"), at any time after the issuance of this Warrant, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date of which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution (provided, however, that to the extent that the Holder's right to participate in any such Distribution would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Distribution to such extent (or in the beneficial ownership of any shares of Common Stock as a result of such Distribution to such extent) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

e) Fundamental Transaction. If, at any time while this Warrant is outstanding, (i) the Company, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Company with or into another Person, (ii) the Company (or any Subsidiary), directly or indirectly, effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding Common Stock or 50% or more of the voting power of the common equity of the Company, (iv) the Company, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property, or (v) the Company, directly or indirectly, in one or more related transactions consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off, merger or scheme of arrangement) with another Person or group of Persons whereby such other Person or group acquires 50% or more of the outstanding shares of Common Stock or 50% or more of the voting power of the common equity of the Company (each a "Fundamental Transaction"), then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the Holder (without regard to any limitation in Section 2(e) on the exercise of this Warrant), the number of shares of Common Stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the "Alternate Consideration") receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Warrant). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. Notwithstanding anything to the contrary, in the event of a Fundamental Transaction, the Company or any Successor Entity (as defined below) shall, at the Holder's or the Successor Entity's option, exercisable at any time concurrently with, or within 30 days after, the consummation of the Fundamental Transaction (or, if later, the date of the public announcement of the applicable Fundamental Transaction), purchase this Warrant from the Holder by paying to the Holder an amount of cash equal to the Black Scholes Value (as defined below) of the remaining unexercised portion of this Warrant on the date of the consummation of such Fundamental Transaction; provided, however, that, if the Fundamental Transaction is not within the Company's control, including not approved by the Company's Board of Directors, the Holder shall only be entitled to receive from the Company or any Successor Entity, upon or following the date of consummation of such Fundamental Transaction, the same type or form of consideration (and in the same proportion), at the Black Scholes Value of the unexercised portion of this Warrant, that is being offered and paid to the holders of Common Stock of the Company in connection with the Fundamental Transaction, whether that consideration be in the form of cash, stock or any combination thereof, or whether the holders of Common Stock are given the choice to receive from among alternative forms of consideration in connection with the Fundamental Transaction; provided, further, that if holders of Common Stock of the Company are not offered or paid any consideration in such Fundamental Transaction, such holders of Common Stock will be deemed to have received common stock of the Successor Entity (which Entity may be the Company following such Fundamental Transaction) in such Fundamental Transaction. "Black Scholes Value" means the value of this Warrant based on the Black-Scholes Option Pricing Model obtained from the "OV" function on Bloomberg determined as of the day of consummation of the applicable Fundamental Transaction for pricing purposes and reflecting (A) a risk-free interest rate corresponding to the U.S. Treasury rate for a period equal to the time between the date of the public announcement of the applicable contemplated Fundamental Transaction and the Termination Date, (B) an expected volatility equal to the greater of 100% and the 100 day volatility obtained from the HVT function on Bloomberg (determined utilizing a 365 day annualization factor) as of the Trading Day immediately following the public announcement of the applicable contemplated Fundamental Transaction, (C) the underlying price per share used in such calculation shall be the greater of (i) the sum of the price per share being offered in cash, if any, plus the value of any non-cash consideration, if any, being offered in such Fundamental Transaction and (ii) the highest VWAP during the period beginning on the Trading Day immediately preceding the public announcement of the applicable contemplated Fundamental Transaction (or the consummation of the applicable Fundamental Transaction, if earlier) and ending on the Trading Day of the earlier of the Holder's or the Successor Entity's request pursuant to this Section 3(e) and (D) a remaining option time equal to the time between the date of the public announcement of the applicable contemplated Fundamental Transaction and the Termination Date and (E) a zero cost of borrow. The payment of the Black Scholes Value will be made by wire transfer of immediately available funds (or such other consideration) within the later of (i) five (5) Business Days of the earlier of the Holder's or the Successor Entity's election and (ii) the date of consummation of the Fundamental Transaction. Unless the Holder or the Successor Entity has elected for this Warrant to be purchased for its Black Scholes Value on or prior to the consummation of a Fundamental Transaction as contemplated hereby, the Company shall cause any successor entity in a Fundamental Transaction in which the Company is not the survivor (the "Successor Entity") to assume in writing all of the obligations of the Company under this Warrant in accordance with the provisions of this Section 3(e) pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of the Holder, deliver to the Holder in exchange for this Warrant a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant which is exercisable for a corresponding number of shares of capital stock of such Successor Entity (or its parent entity) equivalent to the shares of Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the Holder. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall succeed and be substituted for the term "Company" under this Warrant (so that from and after the occurrence or consummation of such Fundamental Transaction, each and every provision of this Warrant referring to the "Company" shall refer instead to each of the Successor Entity or Successor Entities, jointly and severally), and the Successor Entity or Successor Entities, jointly and severally, may exercise every right and power of the Company prior thereto and the Successor Entity or Successor Entities shall assume all of the obligations of the Company prior thereto under

this Warrant with the same effect as if such Successor Entity or Successor Entities, jointly and severally, had been named as the Company herein. For the avoidance of doubt, the Holder shall be entitled to the benefits of the provisions of this Section 3(e) regardless of (i) whether the Company has sufficient authorized shares of Common Stock for the issuance of Warrant Shares and/or (ii) whether a Fundamental Transaction occurs prior to the Initial Exercise Date.

f) Calculations. All calculations under this Section 3 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 3, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding treasury shares, if any) issued and outstanding.

g) Notice to Holder.

i. Adjustment to Exercise Price. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 3, the Company shall promptly deliver to the Holder by email a notice setting forth the Exercise Price after such adjustment and any resulting adjustment to the number of Warrant Shares and setting forth a brief statement of the facts requiring such adjustment.

ii. Notice to Allow Exercise by Holder. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Common Stock, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock, (C) the Company shall authorize the granting to all holders of the Common Stock rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any stockholders of the Company shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Company (or any of its Subsidiaries) is a party, any sale or transfer of all or substantially all of its assets, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property, or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be delivered by email to the Holder at its email address as it shall appear upon the Warrant Register of the Company, at least twenty (20) calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided in this Warrant constitutes, or contains, material, non-public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K. The Holder shall remain entitled to exercise this Warrant during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

h) Voluntary Adjustment By Company. Subject to the rules and regulations of the Trading Market on which the Common Stock is then listed, the Company may at any time during the term of this Warrant, subject to the prior written consent of the Holder, reduce the then current Exercise Price to any amount and for any period of time deemed appropriate by the Company's Board of Directors.

Section 4. Transfer of Warrant.

a) Transferability. Subject to compliance with any applicable securities laws and the conditions set forth in Section 4(d) hereof, this Warrant and all rights hereunder (including, without limitation, any registration rights) are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company unless the Holder has assigned this Warrant in full, in which case, the Holder shall surrender this Warrant to the Company within three (3) Trading Days of the date on which the Holder delivers an assignment form to the Company assigning this Warrant in full. The Warrant, if properly assigned in accordance herewith, may be exercised notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company unless the Holder has assigned this Warrant in full, in which case, the Holder shall surrender this Warrant to the Company within three (3) Trading Days of the date on which the Holder delivers an assignment form exercised by a new holder for the purchase of Warrant Shares without having a new Warrant issued.

b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the Issue Date of this Warrant and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.

c) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the "Warrant Register"), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

d) Transfer Restrictions. If, at the time of the surrender of this Warrant in connection with any transfer of this Warrant, the transfer of this Warrant shall not be either (i) registered pursuant to an effective registration statement under the Securities Act and under applicable state securities or blue sky laws or (ii) eligible for resale without volume or manner-of-sale restrictions or current public information requirements pursuant to Rule 144, the Company may require, as a condition of allowing such transfer, that the Holder or transferee of this Warrant, as the case may be, provides to the Company an opinion of counsel, the form and substance of such opinion shall be reasonably satisfactory to the Company, to the effect that the transfer of this Warrant does not require registration under the Securities Act.

e) Representation by the Holder. The Holder, by the acceptance hereof, represents and warrants that it is acquiring this Warrant and, upon any exercise hereof, will acquire the Warrant Shares issuable upon such exercise, for its own account and not with a view to or for distributing or reselling such Warrant Shares or any part thereof in violation of the Securities Act or any applicable state securities law, except pursuant to sales registered or exempted under the Securities Act.

Section 5. Miscellaneous.

a) No Rights as Stockholder Until Exercise; No Settlement in Cash. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a stockholder of the Company prior to the exercise hereof as set forth in Section 2(d)(i), except as expressly set forth in Section 3. Without limiting any rights of a Holder to receive Warrant Shares on a "cashless exercise" pursuant to Section 2(c) or to receive cash payments pursuant to Section 2(d)(i) and Section 2(d)(iv) herein, in no event shall the Company be required to net cash settle an exercise of this Warrant.

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then such action may be taken or such right may be exercised on the next succeeding Business Day.

d) Authorized Shares.

The Company covenants that, during the period the Warrant is outstanding, it will reserve from its authorized and unissued Common Stock a sufficient number of shares to provide for the issuance of the Warrant Shares upon the exercise of any purchase rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of issuing the necessary Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Common Stock may be listed. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant will, upon exercise of the purchase rights represented by this Warrant and payment for such Warrant Shares in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Warrant Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

Before taking any action which would result in an adjustment in the number of Warrant Shares for which this Warrant is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

e) Governing Law and Jurisdiction. All questions concerning the construction, validity, enforcement and interpretation of this Warrant shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflicts of law thereof. Each party agrees that all legal proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Warrant (whether brought against a party hereto or their respective affiliates, directors, officers, shareholders, partners, members, employees or agents) shall be commenced exclusively in the state and federal courts sitting in the City of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the City of New York, Borough of Manhattan for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is improper or is an inconvenient venue for such proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Warrant and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. If either party shall commence an action, suit or proceeding to enforce any provisions of this Warrant, the prevailing party in such action, suit or proceeding shall be reimbursed by the other party for their reasonable attorneys' fees and other costs and expenses incurred with the investigation, preparation and prosecution of such action or proceeding.

f) Restrictions. The Holder acknowledges that the Warrant Shares acquired upon the exercise of this Warrant, if not registered, and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

g) Nonwaiver and Expenses. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies. Without limiting any other provision of this Warrant or the Purchase Agreement, if the Company willfully and knowingly fails to comply with any provision of this Warrant, which results in any material damages to the Holder, the Company shall pay to the Holder such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by the Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

h) Notices. Certain Holders of Common Stock Purchase Warrants
issued in connection with Warrant Exercise Inducement and Exchange Offerings

Re: Inducement Offer to Exercise or Pre-Fund Common Stock Purchase Warrants

Dear Holder:

OS Therapies Incorporated, a Delaware corporation (the “Company”), is pleased to offer to you (“Holder,” “you” or similar terminology) the opportunity to exercise for cash or pre-fund for cash, on the terms set forth herein, all of the Common Stock Purchase Warrants that were issued to you in connection with the Company’s warrant exercise inducement and exchange offerings held open from June 20, 2025 to July 10, 2025 and/or from August 29, 2025 to September 1, 2025, each to purchase one (1) share of the Company’s common stock, par value \$0.001 per share (“Common Stock”), at the current exercise price of \$2.03 or \$3.00 per share, as applicable (collectively, the “Existing Warrants”).

Subject to the terms and conditions of this letter agreement, the Company is offering less than ten (10) beneficial owners of the Existing Warrants (each, an “Offered Holder” and, collectively, the “Offered Holders”) a reduced exercise price of \$1.40 per share on the Existing Warrants (the “Inducement Exercise Price”). Offered Holders of Existing Warrants who exercise or pre-fund their Existing Warrants at the Inducement Exercise Price or the applicable Pre-Funding Amount (as defined below), as applicable, and on the terms set forth herein, will receive from the Company a New Warrant (as defined below) to purchase a number of shares of Common Stock equal to the number of Existing Warrant Shares (as defined below) issued pursuant to such exercise or, in the case of a Pre-Funding (as defined below), underlying such Pre-Funding.

The shares of Common Stock issuable upon exercise of the Existing Warrants (the “Existing Warrant Shares”) have been registered for resale pursuant to the Company’s registration statements on Form S-1 (File No. 333-289216) and Form S-3 (File No. 333-289443) (the “Registration Statements”). The Registration Statements are currently effective and, upon exercise of the Existing Warrants pursuant to this letter agreement, will be effective for the issuance or sale, as applicable, of the Existing Warrant Shares. Capitalized terms not otherwise defined herein shall have the meanings set forth in the New Warrants (as defined below).

For purposes of this letter agreement, a “Pre-Funding” means the payment in cash by an Offered Holder of an amount per Existing Warrant share equal to the Inducement Exercise Price, less \$0.001 (the “Pre-Funding Amount”). Upon the Company’s receipt of any Pre-Funding with respect to any Existing Warrant, the per share exercise price of such Existing Warrant shall, without further action by the Company or such Offered Holder, be reduced to \$0.001 per share (the “Remaining Exercise Price”), and such Existing Warrant shall thereafter be exercisable for Common Stock solely at the Remaining Exercise Price.

Inducement Period; Offering Terms and Solicitation Agent

This offer is being made during the period beginning on January 10, 2026 and ending at 11:59 p.m., Eastern time, on February 10, 2026 (the “Termination Date” and, such period, the “Inducement Period”). During the Inducement Period, the Company is offering the terms set forth in this letter agreement to you and the other Offered Holders. The offering may be consummated in one or more closings with respect to exercises and/or Pre-Fundings of the Existing Warrants, at such times and in such amounts as determined at the mutual discretion of the Solicitation Agent (as defined below) and the Company (each, a “Closing”), which for clarity, may be held at any time during the Inducement Period or within two business days following the Termination Date. The Company may, at any time and from time to time, in its discretion and with the consent of the Solicitation Agent, extend, terminate or suspend the Inducement Period prior to the Termination Date, or extend the time for a Closing, upon written notice to the Offered Holders without any obligation to extend or reopen the Inducement Period or extend the time for a Closing thereafter.

Ceros Financial Services, Inc., an SEC-registered broker-dealer and a member of the Financial Industry Regulatory Authority (FINRA), is acting as the Company’s exclusive warrant solicitation agent for this offering (the “Solicitation Agent”). Pursuant to a Warrant Solicitation Agreement with the Company, the Solicitation Agent is entitled to receive a cash fee equal to 8.0% of the aggregate gross cash proceeds received by the Company from the exercise or Pre-Funding of the Existing Warrants, together with an expense reimbursement not to exceed \$25,000. The Company may also waive any conditions or requirements applicable to any individual Offered Holder or group of Offered Holders participating in a Closing. The rights and obligations of each Offered Holder shall be several and not joint with those of any other Offered Holder, and no participating Offered Holder shall be responsible in any way for the performance of any other Offered Holder.

In consideration for (i) each cash exercise of Existing Warrants held by you at the Inducement Exercise Price of \$1.40 per share (the “Warrant Exercise”) or (ii) each Pre-Funding of Existing Warrants at the Pre-Funding Amount per share, in each case during the Inducement Period and as set forth on the signature page hereto, the Company hereby offers to sell and issue to you a new Common Stock Purchase Warrant (“New Warrant”), pursuant to Section 4(a)(2) of the Securities Act of 1933, as amended (“Securities Act”), to purchase up to a number of shares of Common Stock equal to 100% of the number of Existing Warrant Shares issued pursuant to your Warrant Exercise or, in the case of a Pre-Funding, underlying such Pre-Funding (the “New Warrant Shares”). The New Warrants shall be substantially in the form attached hereto as Annex B, and shall have an exercise price of \$1.40 per share, subject to adjustment as provided therein, and shall be exercisable immediately upon issuance and have a term of exercise of five (5) years. The Company has agreed to file a registration statement for the resale of the New Warrant Shares on the terms described in Annex A hereto.

If the applicable aggregate Warrant Exercise Price (as defined below) or Pre-Funding Amount, as applicable, is not received by the Company within two (2) business days following the Termination Date, the Company shall have the right, in its sole discretion, to cancel the Offered Holder’s election to exercise or pre-fund the Existing Warrants.

The original certificates (or book-entry statements) for the New Warrants shall be delivered within two (2) business days following the date of each applicable Closing. The New Warrants and the New Warrant Shares shall bear customary restrictive legends unless and until registered under the Securities Act.

Beneficial Ownership Limitation

Notwithstanding anything to the contrary contained herein, in the event that any exercise for cash of the Existing Warrants would otherwise cause the Holder to exceed the beneficial ownership limitations set forth in Section 2(e) of the Existing Warrants (“Beneficial Ownership Limitation”), the Company shall only issue such number of Existing Warrant Shares to the Holder that would not cause the Holder to exceed the maximum number of Existing Warrant Shares permitted thereunder, as directed by the Holder, with the balance to be held in abeyance until notice from the Holder that the balance (or portion thereof) may be issued in compliance with such limitations, which

abeyance shall be evidenced through the Existing Warrants which shall be deemed prepaid thereafter (including the cash payment in full of the exercise price), and exercised pursuant to a Notice of Exercise in the Existing Warrants (provided no additional exercise price shall be due and payable). The parties hereby agree that the Beneficial Ownership Limitation for purposes of the Existing Warrants is as set forth on the Holder's signature page hereto.

Acceptance and Public Disclosure

You may accept this offer with respect to all of your Existing Warrants by signing this letter agreement below and delivering it to the Company, with such acceptance constituting your election to exercise or pre-fund, as applicable, up to all of your Existing Warrants for cash for the number of shares of Common Stock and the aggregate exercise price or the aggregate Pre-Funding Amount, as applicable, set forth on your signature page hereto, calculated at the Inducement Exercise Price (the "Warrant Exercise Price"), in the case of a Warrant Exercise, or at the applicable Pre-Funding Amount per share, in the case of a Pre-Funding, in each case on or prior to the Termination Date.

If the Company does not receive from the applicable aggregate Warrant Exercise Price or Pre-Funding Amount, as applicable, within two (2) business days following the Termination Date ("Final Funding Date"), the Company may, in its sole discretion, cancel the Holder's Warrant Exercise or Pre-Funding, as applicable, in accordance with the section entitled "Inducement Period and Offering Terms" above. Upon any such cancellation, such Holder hereby irrevocably waives any and all rights to any future adjustment of the exercise price or any other economic terms of the Existing Warrants pursuant to Section 3(b) thereof, arising from or in connection with any issuance of securities or other transaction by the Company occurring after the Final Funding Date.

No later than 9:30 a.m., Eastern time, on the Trading Day immediately following the initial Closing, the Company shall file a Current Report on Form 8-K with the Securities and Exchange Commission (the "Commission") disclosing all material terms of the transactions contemplated herein, including the filing of this letter agreement as an exhibit thereto, within the time required by the Exchange Act. For the avoidance of doubt, only one such Form 8-K shall be required to be filed in connection with the transactions contemplated hereby, regardless of whether Offered Holders execute this letter agreement on different dates. From and after the filing of such Form 8-K, the Company represents that it shall have publicly disclosed all material, non-public information provided to you by the Company or any of its officers, directors, employees or agents in connection with the transactions contemplated herein. In addition, effective upon such filing, the Company acknowledges and agrees that any and all confidentiality, no trade or similar obligations under any agreement, whether written or oral, between the Company (or any of its subsidiaries or their respective officers, directors, employees, agents, or affiliates) and you (or any of your affiliates) shall terminate and be of no further force or effect.

Delivery of Existing Warrant Shares

The Company represents, warrants, and covenants that, upon Holder's acceptance of this offer and execution of this letter agreement, and subject to receipt of the applicable Warrant Exercise Price or Pre-Funding Amount, as applicable, the Existing Warrant Shares shall, to the extent exercised for cash, be issued free of any legends or restrictions on resale by Holder (except as required under applicable law) and delivered electronically to Holder through the facilities of the Depository Trust Company within one (1) Business Day following the date of each applicable Closing (or, with respect to any portion of the Existing Warrant Shares that would otherwise be issued in excess of the Beneficial Ownership Limitation, within one (1) Business Day of the Company's receipt of notice from Holder that its ownership is below the applicable Beneficial Ownership Limitation). With respect to any Existing Warrants that are subject to a Pre-Funding, the Existing Warrant Shares thereunder shall be issuable upon exercise of such Existing Warrants at the Remaining Exercise Price, subject in all cases to the Beneficial Ownership Limitation. For the avoidance of doubt, the terms of the Existing Warrants, including the Company's obligations with respect to the timely delivery of Existing Warrant Shares, shall remain in full force and effect, and the Company shall treat the acceptance of this offer as a formal and valid Notice of Exercise under the Existing Warrants, including with respect to any applicable provisions regarding liquidated damages or other remedies for late delivery.

Representations and Legends

The Company hereby agrees to the representations, warranties and covenants set forth on Annex A attached hereto, which include registration obligations of the Company with respect to the New Warrant Shares. By signing this letter agreement below, you represent and warrant that, as of the date hereof and the date of any Closing in which you participate, you are and will be an "accredited investor" as defined in Rule 501 of Regulation D promulgated under the Securities Act, and acknowledges that the New Warrants will contain restrictive legends when issued, and neither the New Warrants nor the New Warrant Shares have been registered under the Securities Act. Holder further represents and warrants that it is acquiring the New Warrants as principal for its own account and is not acquiring the New Warrants or the New Warrant Shares with a view to, or for resale in connection with, any distribution thereof in violation of applicable securities laws, and has no direct or indirect arrangement or understanding with any other person to distribute or regarding the distribution of the New Warrants or the New Warrant Shares (this representation does not limit Holder's right to sell the New Warrant Shares pursuant to an effective registration statement or in compliance with applicable law).

The Holder understands that issuance of the New Warrants and the New Warrant Shares are not, and may never be, registered under the Securities Act, or the securities laws of any state and, accordingly, each certificate, if any, representing such securities shall bear a legend substantially similar to the following:

"NEITHER THIS SECURITY NOR THE SECURITIES FOR WHICH THIS SECURITY IS EXERCISABLE HAVE BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS."

Notwithstanding the foregoing, certificates representing, or book-entry statements evidencing, the New Warrant Shares shall not contain any legend, (i) while a registration statement covering the resale of such New Warrant Shares is effective under the Securities Act (See "Annex A – subsection (e)" for description of registration obligations with respect to the New Warrant Shares), (ii) following any sale of such New Warrant Shares pursuant to Rule 144 under the Securities Act, (iii) if such New Warrant Shares are eligible for sale under Rule 144 (assuming cashless exercise of the New Warrants), without the requirement for the Company to be in compliance with the current public information required under Rule 144 as to such New Warrant Shares and without volume or manner-of-sale restrictions, (iv) if such New Warrant Shares may be sold under Rule 144 (assuming cashless exercise of the New Warrants) and the Company is then in compliance with the current public information required under Rule 144 as to such New Warrant Shares, or (v) if such legend is not required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the staff of the Commission and the earliest of clauses (i) through (v), the "Delegend Date"). Upon receipt of a representation letter or other documentation from the Holder that the Company may reasonably request, the Company shall, at its expense, cause its counsel to issue a legal opinion to the Transfer Agent promptly after the Delegend Date if required by the Company and/or the Transfer Agent to effect the removal of the legend hereunder, or at the request of the Holder, which opinion shall be in form and substance reasonably acceptable to the Holder. From and after the Delegend Date, such New Warrant Shares shall be issued free of all legends. The Company agrees that following the Delegend Date or at such time as such legend is no longer required under this paragraph, it will, no later than one (1) Trading Day following the delivery by the Holder to the Company or the Transfer Agent of a certificate representing, or book entry statement evidencing, the New Warrant Shares issued with a restrictive legend and

a representation letter from the Holder that the Company may reasonably request (such Trading Day, the “Legend Removal Date”), deliver or cause to be delivered to the Holder a certificate representing, or book entry statement evidencing, such shares that is free from all restrictive and other legends or, at the request of the Holder shall credit the account of the Holder’s prime broker with the Depository Trust Company System as directed by the Holder.

Independence of Offered Holders

The Company acknowledges and agrees that the obligations of the Offered Holders under this letter agreement are several and not joint with the obligations of any other Offered Holder or any other holders of warrants to purchase shares of Common Stock of the Company (each, an “Other Holder”) under any other agreement related to the exercise or pre-funding of such common stock purchase warrants (“Other Warrant Exercise Agreement”), and the Holder shall not be responsible in any way for the performance of the obligations of any Other Holder or under any such Other Warrant Exercise Agreement. Nothing contained in this letter agreement, and no action taken by the Offered Holders pursuant hereto, shall be deemed to constitute the Holder and the Other Holders as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Holder and the Other Holders are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this letter agreement and the Company acknowledges that the Holder and the Other Holders are not acting in concert or as a group with respect to such obligations or the transactions contemplated by this letter agreement or any Other Warrant Exercise Agreement. By signing this letter agreement, the Holder confirms that it has had the opportunity to consult with its own counsel and advisors with respect to the matters set forth herein. The Holder shall be entitled to independently protect and enforce its rights, including, without limitation, the rights arising out of this letter agreement, and it shall not be necessary for any Other Holder to be joined as an additional party in any proceeding for such purpose.

Exchange Act Filings; Risk Factors; Independent Review

The Company is subject to the reporting requirements of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and files reports, proxy statements and other information with the Securities and Exchange Commission (the “SEC”). Such filings include, without limitation, the risk factors disclosed in the Company’s Annual Report on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K, as each may be amended or supplemented from time to time (collectively, the “Exchange Act Filings”).

Each Offered Holder is urged to read carefully the Exchange Act Filings, including the risk factors contained therein, before making any decision to exercise its Existing Warrants and participate in the transactions contemplated hereby. The Exchange Act Filings are available without charge on the SEC’s website at www.sec.gov.

In addition, each Offered Holder acknowledges that it has conducted, and will continue to conduct, its own independent investigation and analysis of the Company and the transactions contemplated hereby and has made its own decision to participate in such transactions based solely upon its own evaluation, including a review of the Exchange Act Filings and such other information as it has deemed appropriate.

Limited Role of Solicitation Agent

The Solicitation Agent is acting as a solicitation agent in connection with the transactions contemplated hereby and may, among other duties, respond to investor inquiries and provide information made available by the Company in its public filings or otherwise authorized for use in connection with this transaction. The Solicitation Agent has not independently verified the information contained in the Company’s Exchange Act Filings and does not make any representation or warranty as to the completeness or accuracy thereof.

The Solicitation Agent is not providing investment advice or making any recommendation as to whether any Offered Holder should exercise or pre-fund its Existing Warrants or otherwise participate in the transactions contemplated hereby, and each Offered Holder is responsible for conducting its own independent investigation and evaluation of the Company and this transaction.

Governing Law; Jurisdiction

This letter agreement shall be construed and enforced in accordance with the laws of the State of New York, without regards to conflicts of laws principles. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the City of New York, Borough of Manhattan for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby.

The Company agrees to maintain the eligibility of the Common Stock for electronic transfer through the Depository Trust Company or another established clearing corporation, including, without limitation, by timely payment of fees to the Depository Trust Company or such other established clearing corporation in connection with such electronic transfer.

OS Therapies Enters into Warrant Inducement Agreements

- \$7.53M gross proceeds raised from pre-existing investors, providing capital runway into 2027
- All nine investors that were offered agreed to participate
- Net proceeds to fund OST-HER2 regulatory approval submissions, commercial preparation activities and preparations for OS Animal Health proposed spinoff transaction

New York, NY, January 12, 2026 – OS Therapies Inc. (NYSE-A: OSTX) (“OS Therapies” or the “Company”), the world leader in listeria-based cancer immunotherapies, today announced that it launched a warrant exercise inducement and exchange offer to nine accredited investors (the “Holders”) that hold common stock purchase warrants issued in connection with the Company’s previous third quarter 2025 warrant exercise inducement and exchange offers (the “Existing Warrants”). All nine Holders offered have entered into inducement offer letter agreements with the Company to exercise or pre-fund for cash all of their Existing Warrants, providing a total of \$7.53 million in gross proceeds to the Company. A description of the material terms of the transaction is included in the Company’s Current Report on Form 8-K filed with the Securities and Exchange Commission.

Ceros Capital Markets, a division of Ceros Financial Services, Inc., acted as the exclusive warrant solicitation agent for the transaction.

The gross proceeds raised provide the Company runway into 2027, and the Company expects to use the net proceeds to support regulatory filings and commercial preparation activities related for OST-HER2 in the prevention or delay of recurrent, fully resected, pulmonary metastatic osteosarcoma in the U.S., UK and European Union (the “Human Metastatic Osteosarcoma Program”), to provide funding for the Company’s wholly owned subsidiary OS Animal Health’s proposed spinoff transaction preparations, and general corporate purposes.

“We greatly appreciate the support of our long-term shareholders who have been funding the Company since it was private,” said Chairman & CEO Paul Romness. “Now that we have addressed market concerns related to our cash position, we are poised to announce the biomarker data from the Phase 2b trial from our Human Metastatic Osteosarcoma Program and file for regulatory approval in the U.S. UK and EU. Additionally, we are excited about the spinoff of our wholly owned subsidiary OS Animal Health (“OSAH”) that is expected to result in OS Therapies shareholders becoming shareholders of OSAH.”

The Company reiterates its intention to file a Biologics Licensing Application (BLA) with the U.S. FDA under the Accelerated Approval Program (Accelerated Approval) by the end of January 2026. The Company intends to complete Marketing Authorisation Application (MAA) submissions to gain conditional marketing authorization with the U.K. Medicines and Healthcare products Regulatory Agency (MHRA) and Europe’s European Medicines Agency (EMA) by end of February 2026 and March 2026, respectively. The Company is hopeful to gain regulatory approval for OST-HER2 in the UK in the second quarter of 2026, in the United States in the third quarter or 2026 and in Europe by the end of the fourth quarter of 2026.

OST-HER2 has received FDA Orphan Disease Designation (ODD) and Fast Track Designation from FDA & EMA and has received Rare Pediatric Disease Designation (RPDD) from FDA. Under the RPDD program, if the Company receives Accelerated Approval prior to September 30, 2026, it will become eligible to receive a Priority Review Voucher (PRV) that it intends to monetize, subject to market conditions. The most recent publicly disclosed PRV sale, valued at \$160 million, occurred in June 2025; however, there can be no assurance that the Company would realize a comparable value, if any, in connection with any future PRV sale.

No Offer to Sell or Solicit

This press release is for informational purposes only and does not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in connection with the proposed spinoff or otherwise unless made in compliance with applicable securities laws. Any distribution of shares or other issuance of securities in connection with the proposed spinoff or otherwise will be made only pursuant to an effective registration statement or an applicable exemption from registration.

No assurance can be given that any initial public offering, direct listing, or spinoff of OSAH will occur, or that any such transaction, if undertaken, will be completed on the terms or within the timeline currently contemplated. Even if any such transaction is completed, no assurance can be given that the newly independent company will operate as expected, that anticipated benefits of such transaction will be realized or that the trading value of the parent company and the separated company, individually or in the aggregate, will equal or exceed the Company’s current value.

About OS Therapies

OS Therapies is a clinical stage oncology company focused on the identification, development, and commercialization of treatments for Osteosarcoma (OS) and other solid tumors. The Company is the world leader in listeria-based cancer immunotherapies. OST-HER2, the Company’s lead asset, is an immunotherapy leveraging the immune-stimulatory effects of Listeria bacteria to initiate a strong immune response targeting the HER2 protein. OST-HER2 has received Rare Pediatric Disease Designation (RPDD) from the U.S. Food & Drug Administration and Fast-Track and Orphan Drug designations from the U.S. FDA and European Medicines Agency. The Company reported positive data in its Phase 2b clinical trial of OST-HER2 in recurrent, fully resected, lung metastatic osteosarcoma, demonstrating statistically significant benefit in the 12-month event free survival (EFS) primary endpoint of the study. The Company anticipates submitting a Biologics Licensing Application (BLA) to the U.S. FDA for OST-HER2 in osteosarcoma in 2026 and, if approved, would become eligible to receive a Priority Review Voucher that it could then sell. OST-HER2 has completed a Phase 1 clinical study primarily in breast cancer patients, in addition to showing preclinical efficacy data in various models of breast cancer. OST-HER2 has been conditionally approved by the U.S. Department of Agriculture for the treatment of canines with osteosarcoma.

In addition, OS Therapies is advancing its next-generation Antibody Drug Conjugate (ADC) and Drug Conjugates (DC), known as tunable ADC (tADC), which features tunable, tailored antibody-linker-payload candidates. This platform leverages the Company’s proprietary silicone Si-Linker and Conditionally Active Payload (CAP) technology, enabling the delivery of multiple payloads per linker.
